Printable Tape Measure

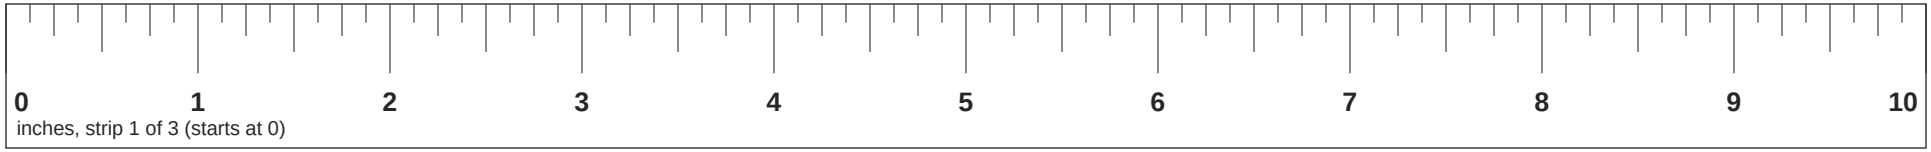

Jewelry by Sweet Pea | jewelrybysweetpea.com

Step 1: Print at 100% or "Actual size", not "Fit to page".

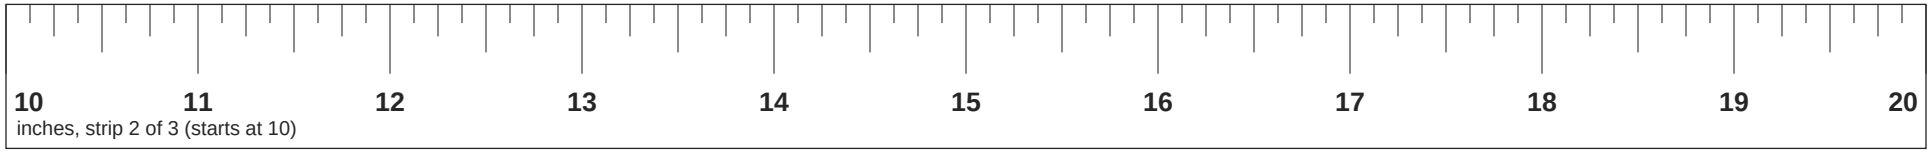

Step 2: Check the print. A standard credit card should match this line from end to end:

Credit card width

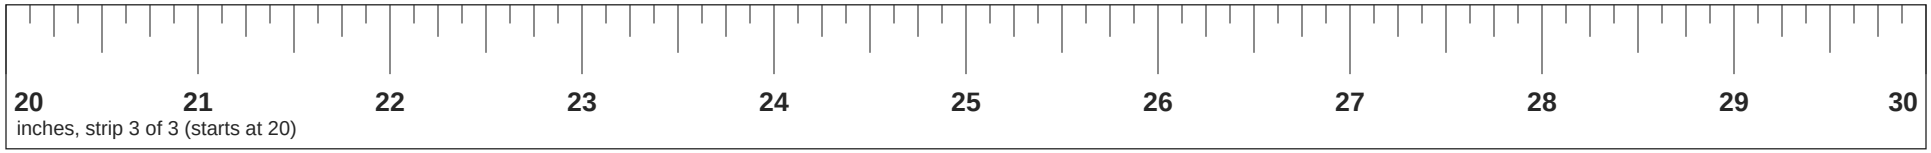

Step 3: Cut along the outer lines and tape the strips end to end, matching the numbers.

inches, strip 1 of 3 (starts at 0)

inches, strip 2 of 3 (starts at 10)

inches, strip 3 of 3 (starts at 20)
